CONTENTS

- (A) Main Light Assembly
- (B) Lightpipe
- (C) Lampholder
- (D) End Moulding, marked "B + P"

IMPORTANT SAFETY INSTRUCTIONS

This portable luminaire is a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still doesn't fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

1. Remove the main light assembly from the packaging, taking care not to damage the attached lightpipe during removal.
2. Carefully slide the glass shade from the foam packaging and fit it over the top of the lightpipe.
3. Gently lower the glass shade into the lampholder at the base until it is resting on the top of the lightpipe.
4. Carefully centre the lightpipe end moulding marked 'B+P' to the glass shade at the top.
5. Plug in, flick the switch and enjoy...

[end. **ORDINARY**]
