For missing or damaged parts, call our Customer Helpline: 01799 513466 or email cs@kobledesigns.com

# Step 19

Use Cable Clips M to route the power cable as required

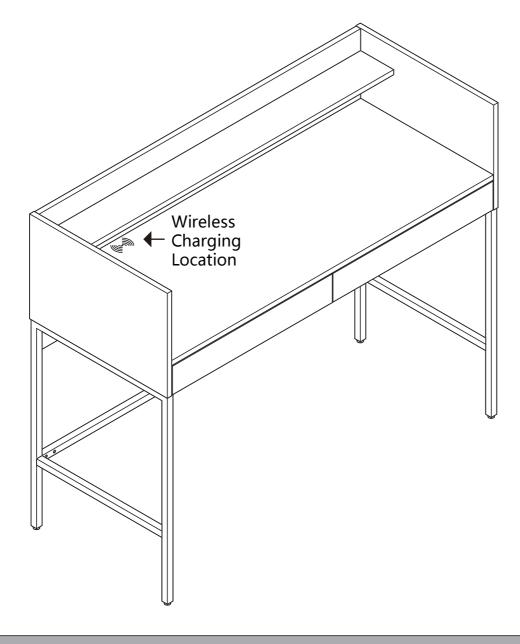

# Wireless charging function

If you have a wireless charging compatible phone, please put the phone on the wireless charging indicator and check if the phone is successfully connected to the charging function. If not, move the mobile phone around the logo until the connection is successful.

Some phone cases may inhibit the wireless charging function or it's efficiency. It may be necessary to remove the phone case if difficulties with charging are experienced.

Wireless charging will only work with wireless charging compatible mobile devices.
