LIGHTING

EASY INSTALLATION

The quick-release buttons are ergonomically placed on both sides and easily separate the diffuser and gear tray from the base. Hanging clips ensure secure placement, making setup convenient and efficient.

LIGHT QUALITY (CCT SWITCHABLE)

Our colour switchable batten allows you to stock 3 colour temperatures in 1 product.

3000K Warm White
4000K Cool White (default)
5700K Daylight

WATTAGE SWITCHABLE

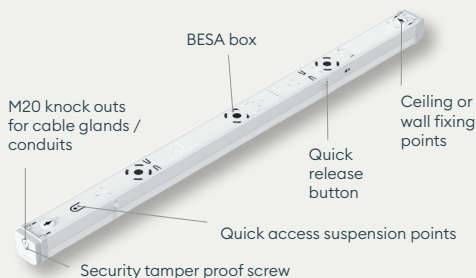

Four outputs in one, resolving the need for a single or twin option and adding flexibility on site. Highest wattage is default setting.

4ft	W	18	25	31	37
Lm		2775	3750	4650	5550
5ft	W	28	38	48	56
Lm		4200	5700	7200	8400
6ft	W	33	45	56	67
Lm		5025	6750	8400	10050

MOUNTING OPTIONS

With conduit/cable gland entry points on both sides and back of batten, plus a removable terminal block for convenience. Wiring can also be concealed behind the fixture or linked via the loop-in, loop-out terminal, accommodating a wide range of installation needs.

Can be surface-mounted via pre-drilled holes for solid ceilings or walls, suspended using a chain, or mounted with BESA. The gear tray is removable or can be suspended from the base for easy installation.

PLUG & PLAY KITS

Versabox plug and play kit range to accommodate project requirements.
* Assembled on demand by Collingwood production.
