**Warning and safety instructions:**

- Use only the power supply (adaptor) provided with the lighting chain. The power supply (adaptor) is of IP20 only, it shall be installed at dry location.
- Do not connect the chain to the supply while it is in the packing.
- To reduce the risk of strangulation, the flexible wiring connected to this luminaire shall be effectively fixed to the wall if the wiring is within arm's reach.
- The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person. Replace the light source only with specified 4pin light bulb (12VDC 1W).
- Ensure that all lampholders are fitted with a lamp.
- The lighting chain must not be used without all gaskets being in place.
- The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged, the luminaire shall be destroyed.

**Simplified EU-DoC and UKCA-DoC**

Hereby, 4lite declares that the radio equipment type 4lite luminaires Connected by WiZ are in compliance with Directive 2014/53/EU (RED). The full text of the EU declaration of conformity is available at the following address: <https://4liteuk.com/>

Hereby, 4lite declares that the radio equipment type 4lite luminaires Connected by WiZ are in compliance with the Radio Equipment Regulation 2017 (S.I. 2017/1206). The full text of the UK declaration of conformity is available at the following address: <https://4liteuk.com/>
