Connected by

WiZ

The complete smart lighting solution
from **Ansell Lighting**

OCTO Connected by WiZ

INTRODUCING OCTO CONNECTED BY WIZ

OCTO Connected by WiZ is the perfect solution for residential or small-scale commercial smart lighting projects. Take advantage of full voice control and WiFi/Bluetooth hybrid technology, with 16 million colours and 64,000 shades of white.

The WiZ app offers multi-user and multi-location options, making it suitable for both new and existing homes. The WiZ technology is built into the lighting fixtures meaning no hubs or additional wiring required. Simply turn on, pair up and you're good to go.

ENJOY OCTO CONNECTED BY WIZ IN 3 EASY STEPS...

Our products are easy to install,
saving time.

Easy and intuitive to connect and

Easy to control

Enjoy
OCTO Connected by WiZ lights.

THE OCTO SOLUTION

OCTO delivers the complete smart lighting package to transform the efficiency and ambience of commercial and residential spaces, with an easy-to-use wireless system that gives complete control of the luminaries via an intuitive app and smart accessories.

Supporting a range of requirements, from residential applications requiring voice control and commercial buildings that prioritise energy saving, to a warehouse that requires space optimisation and efficiency dashboard data... and much more!

With our continuous research, development and innovation, OCTO is constantly evolving to ensure we can offer revolutionary, forward-thinking solutions for all our customers

CPD

We offer RIBA and Engineers Ireland accredited CPD training sessions. Learn about the fundamentals of smart lighting and how it can offer many benefits to a great number of applications.

The CPD has been designed to provide guidance for professionals on the benefits of smart lighting and offers an understanding of the different technologies available.

OCTO CONNECTED BY WIZ

- Enjoy seamless pairing using WiFi and Bluetooth hybrid technology to support connecting to your WiFi router
- Select how you control your lights, with your smartphone, remote, motion sensors, existing wall switches or even your voice as options!
- Control your lights when you are home or away.
- Improve your wellbeing with Human Centric Lighting using the OCTO Connected by WIZ 'Circadian Rhythm', featuring pre-set smooth light transitions or personalise with the 'My Rhythm' features.
- Utilise schedules to automate your OCTO Connected by WIZ lights to fit your daily routines and save energy costs. Harness the power of other major connected ecosystems with easy integrations through the WIZ cloud.
- Protect your personal security via anonymous sign in and encrypted cloud connections.

Preset light modes

Preset Dynamic light modes

Advanced Voice Control

Works seamlessly with voice assistants such as Hey Google, Amazon Alexa and Apple Siri Shortcuts

Multiple Locations

Turn your lights on in your home from your office and vice versa. You can even control your WiZ locations from as far away as the moon. As long as you have got access to the WiZ Cloud (via WiFi or mobile data) you can do what you want to do with your lights – even when you are not physically there.

No Hub Needed

Each WiZ light has its own brain – a 32-bit MCU chip with WiFi – for smarter automation, as our lights are directly, constantly and reliably connected to the cloud for up-to-date preferences and settings without any dependency on a hub or bridge.

Multiple Users

- We have a powerful multi-user system with three different access right tiers over multiple WiZ locations:
- Owners can change settings and control the lights in all their WiZ locations – using internet connectivity or mobile data.
- Guests can enjoy control over lights when they are on the same Wifi network as the OCTO Connected by WiZ home they want to control – but they will not be allowed to change any settings.
- Temporary guests have the same permissions as ordinary guests but they will lose access after a certain time period that you get to set for them – each one can be different!

OCTO GU10 Smart Lamp

- Tunable white and RGB tunable white GU10 smart lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Fully dimmable from 10% to 100%
- RGB and Tunable white for total colour and comfort (AOCTOW/GU10LED/RGBTW only)
- Tunable white between 2700K - 6500K (AOCTOW/GU10LED/TW only)
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for any GU10 compatible product – Please check lamp size to ensure compatibility

OCTO A60 TW Smart Lamp

- Tunable white A60 smart lamp suitable for residential and small scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Fully dimmable from 10% to 100%
- Tunable white between 2700K - 6500K
- E27 and B22 base options available
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO A60 RGBTW Smart Lamp

- RGB tunable white A60 smart lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- RGB and Tunable white for total colour and comfort
- Fully dimmable from 10% to 100%
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO G95 RGBTW Smart Lamp

- RGB tunable white G95 smart lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- RGB and Tunable white for total colour and comfort
- Fully dimmable from 10% to 100%
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO C37 TW and RGBTW Smart Lamp

- Tunable white and RGB tunable white C37 smart lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Fully dimmable from 10% to 100%
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO A60 TW Frosted Smart Lamp

- Tunable White A60 smart lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Fully dimmable from 10% to 100%
- Tunable white between 2700K - 6500K
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO A60 TW Smart Filament Lamp

- Tunable white A60 smart filament lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Vintage amber and clear filament lamp designs
- Fully dimmable from 10% to 100%
- Tunable white between 2700K - 6500K
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO ST64 TW Smart Filament Lamp

- Tunable white ST64 smart filament lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Vintage amber and clear filament ST64 lamp designs
- Fully dimmable from 10% to 100%
- Tunable white between 2700K - 6500K
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO G95 TW Smart Filament Lamp

- Tunable white G95 smart filament lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Vintage amber and clear filament G95 lamp designs
- Fully dimmable from 10% to 100%
- Tunable white between 2700K - 6500K
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO C37 TW Smart Filament Lamp

- Tunable white C37 smart filament lamp suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart lamp; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- Vintage amber and clear filament candle lamp designs
- Fully dimmable from 10% to 100%
- Tunable white between 2700K - 6500K
- Group, scene, holiday and timer settings achieved via WIZ App
- Suitable for indoor applications in dry rooms, professional use in public buildings and outdoor use in specially shielded luminaires

OCTO Venom RGBW Flexible Strip Kit

- RGBTW smart flexible LED strip kit suitable for residential and small-scale commercial applications
- Bluetooth and WiFi enabled smart strip; connects directly to your existing WiFi
- Commissioned via WIZ App
- Voice activated compatibility; offers hands-free controls
- RGB and Tunable white for total colour and comfort
- Fully dimmable from 10% to 100%
- 2m starter kit with additional 1m extender kit options available (up to 10m maximum total LED strip length)
- Cutting points every 200mm (only if required)
- Group, scene, holiday and timer settings achieved via WIZ App

OCTO Prism Pro Fire Rated Downlight

- IP65 dimmable LED WIZ embedded tunable white Fire Rated Downlight suitable for residential and hospitality applications
- Tunable between 2700K - 6000K via WIZ App and voice control
- Supplied with matt white bezel as standard
- Remote driver with 2x1.5mm² + CPC loop-in, loop-out colour coded push fit piano terminals provide an easy and efficient installation
- Detachable LED driver for fast fix install
- Low profile design and remote driver allow installation into shallow ceiling voids
- Fully tested for 30, 60 and 90 minute ceiling types to meet Part B of Building Regulations
- Fully tested to meet Part C (moisture), Part E (acoustic) and Part L (energy) of Building Regulations
- Wide 60° beam angle for increased light distribution

OCTO Prism Pro Anti-Glare FRD

- 220-240V IP65 LED dimmable WiZ embedded tunable white fire rated architectural downlight suitable for residential and hospitality applications
- Supplied with matt white bezel as standard
- Anti-glare design to create visual comfort
- Tunable between 2700K - 6000K via WiZ App and voice control
- Remote driver with 2x1.5mm² + CPC loop-in, loop-out colour coded push fit piano terminals provide an easy and efficient installation
- Detachable LED driver for fast fix install
- Low profile design and remote driver allow installation into shallow ceiling voids
- Fully tested for 30, 60 and 90 minute ceiling types to meet Part B of Building Regulations
- Fully tested to meet Part C (moisture), Part E (acoustic) and Part L (energy) of Building Regulations
- Wide 60° beam angle for increased light distribution

OCTO Gamma Mini

- Ultra slim modern WiZ embedded polycarbonate wall/ceiling light suitable for education and residential applications and ancillary areas
- Matt white finish to body and diffuser with optional chrome trim ring
- Rear fixing bracket and terminal housing for ease of installation
- Tunable between 2700K - 6500K via WiZ App and voice control
- IP54 rating and suitable for bathroom use
- Dimmable via WiZ App

OCTO Gamma

- Ultra slim modern WiZ embedded polycarbonate wall/ceiling light suitable for education and residential applications and ancillary areas
- Matt white finish to body and diffuser with optional chrome trim ring
- Rear fixing bracket and terminal housing for ease of installation
- Tunable between 2700K - 6500K via WiZ App and voice control
- IP54 rating and suitable for bathroom use
- Dimmable via WiZ App

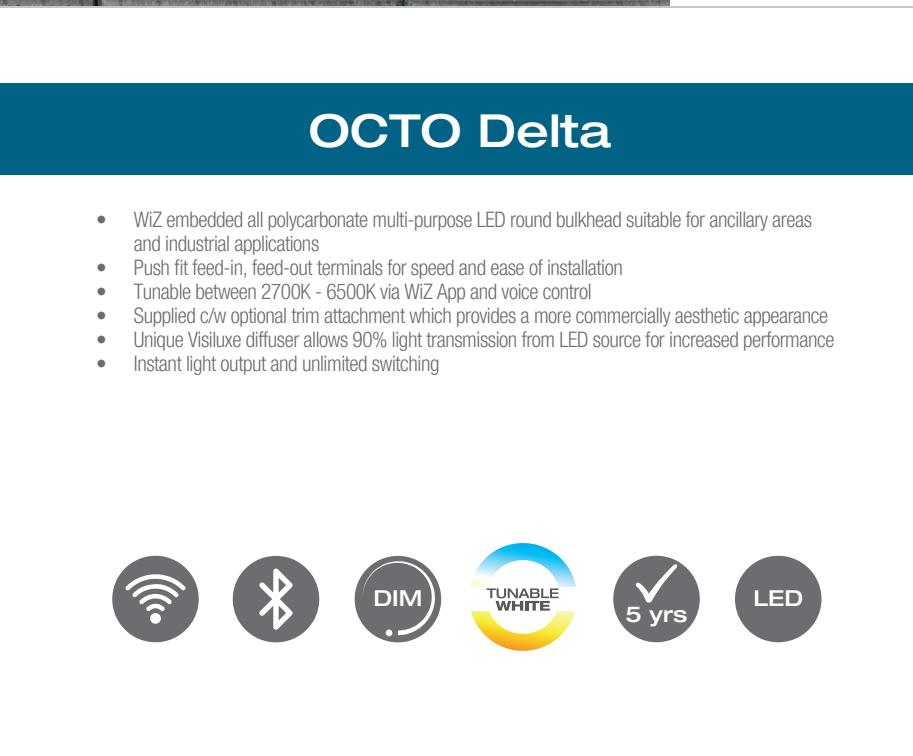

OCTO Disco Slim

- WiZ embedded slim and modern wall or ceiling light suitable for education and residential applications and ancillary areas
- All polycarbonate construction with opal diffuser and white trim ring with optional chrome or graphite ring
- Tunable between 2700K - 6500K via WiZ App and voice control
- Instant light output and unlimited switching

OCTO Astro

- WiZ embedded all polycarbonate multi-purpose LED square bulkhead suitable for ancillary areas and industrial applications
- Push fit feed-in, feed-out terminals for speed and ease of installation
- Tunable between 2700K - 6500K via WiZ App and voice control
- Supplied c/w optional trim attachment which provides a more commercially aesthetic appearance
- Unique Visiluxe diffuser allows 90% light transmission from LED source for increased performance
- Instant light output and unlimited switching

OCTO Delta

- WiZ embedded all polycarbonate multi-purpose LED round bulkhead suitable for ancillary areas and industrial applications
- Push fit feed-in, feed-out terminals for speed and ease of installation
- Tunable between 2700K - 6500K via WiZ App and voice control
- Supplied c/w optional trim attachment which provides a more commercially aesthetic appearance
- Unique Visiluxe diffuser allows 90% light transmission from LED source for increased performance
- Instant light output and unlimited switching

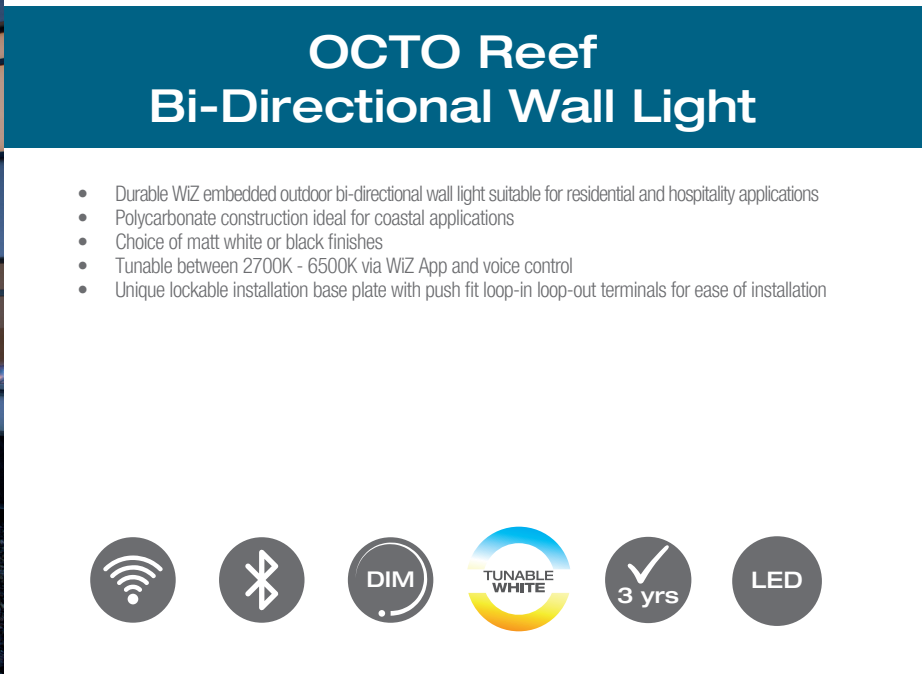

OCTO Reef Directional Wall Light

- Durable WiZ embedded outdoor directional wall light suitable for residential and hospitality applications
- Installation in either upward or downward orientation
- Choice of matt white or black finishes
- Polycarbonate construction ideal for coastal applications
- Tunable between 2700K - 6500K via WiZ App and voice control
- Unique lockable installation base plate with push fit loop-in loop-out terminals for ease of installation

OCTO Reef Bi-Directional Wall Light

- Durable WiZ embedded outdoor bi-directional wall light suitable for residential and hospitality applications
- Polycarbonate construction ideal for coastal applications
- Choice of matt white or black finishes
- Tunable between 2700K - 6500K via WiZ App and voice control
- Unique lockable installation base plate with push fit loop-in loop-out terminals for ease of installation

OCTO Leo Polycarbonate Half Lantern

- Modern styled WiZ embedded half lantern with polycarbonate construction suitable for commercial and residential applications
- White reflector with clear polycarbonate diffuser
- Polycarbonate construction is ideal for coastal applications
- Tunable between 2700K - 6500K via WiZ App and voice control

OCTO Leo Polycarbonate Wall Lantern

- Modern styled WiZ embedded wall lantern with polycarbonate construction suitable for commercial and residential applications
- White reflector with clear polycarbonate diffuser
- Polycarbonate construction is ideal for coastal applications
- Tunable between 2700K - 6500K via WiZ App and voice control

OCTO Leo Polycarbonate Bollard

- Modern styled WiZ embedded bollard with polycarbonate construction suitable for residential and hospitality applications
- White reflector with clear polycarbonate diffuser
- Polycarbonate construction is ideal for coastal applications
- Supplied c/w root mounting kit, can be surface mounted with rawbolts
- Tunable between 2700K - 6500K via WiZ App and voice control

OCTO Garletta

- Dual purpose WiZ embedded garden spotlight supplied with wall mounting bracket and spike suitable for coastal areas
- Create the ambience of your choice with 16 million colours, as well as warm to cool white light (AGARLED/RGBTW/OCTOW)
- Tunable between 2700K - 6500K via WiZ App and voice control (AGARLED/TW/OCTOW)
- Polycarbonate construction suitable for coastal areas
- Pre-wired with 2 metres of rubber insulated cable

Complete Control

in one click

OCTO Smart Remote Control

- Smart remote control suitable for residential and small-scale commercial applications
- Multifunctional WiFi enabled smart remote control lets you have quick and easy control of your OCTO Connected by WiZ lights
- Simple and quick controls; on/off, dimming, night light and choose from different scenes
- Compatible with all other OCTO Connected by WiZ devices
- Range - Up to 15 metres

OCTO Indoor Controller

- Bluetooth and Wifi enabled smart controllers for use with LED strip suitable for residential and small-scale commercial applications
- Commissioned via WiZ App
- Voice activated compatibility; offers hands-free controls
- 12-24V Dimmable, RGB and tunable white versions; perfect for LED strip (maximum 7.5A)
- 220-240V Dimmable; perfect for triac dimmable downlights and other LED luminaires and LED light sources (maximum 150W)
- 1-10V Dimmable version for compatible analogue LED luminaires (maximum 300W)
- Group, scene, holiday and timer settings achieved via WiZ App

OCTO Wireless Smart Plug

- WiFi enabled smart plug for residential and small scale commercial applications
- Make any socket smart with this OCTO Smart Plug Connected by WIZ
- Control your lights and electronic devices from anywhere
- 13A Rated
- Integrated manual on/off button
- Program schedules and timers via WIZ app
- Provides safety, security and energy saving benefits
- Voice control with Alexa, Hey Google and Siri Shortcuts

OCTO Smart PIR Sensor

- Internal WiFi enabled PIR sensor suitable for residential and small-scale commercial applications
- Compatible with all other OCTO Connected by WIZ devices
- Infrared PIR detector and photocell
- Detection range strength: 1) Strong detection zone i.e. person moving arm or walking towards PIR
- Secondary detection zone i.e. person walking perpendicular to PIR
- 1 year battery (on assumption 50 actions per day, battery capacity 2800 mAh)
- Battery powered using 2 x AA batteries (not supplied)

2)

OCTO Outdoor Smart PIR Sensor

- IP65 external Wifi enabled PIR sensor suitable for residential and small-scale commercial applications
- Compatible with all other OCTO Connected by WIZ devices
- Infrared PIR detector and photocell
- Detection range strength: 1) Strong detection zone i.e. person moving arm or walking towards PIR
- 2) Secondary detection zone i.e. person walking perpendicular to PIR
- 1 year battery (on assumption 50 actions per day, battery capacity 2800 mAh)
- Battery powered using 2 x AA batteries (not supplied)
